About Covenant University

Founded in 2002, Covenant University is a vision-driven world-class university in Ota, Nigeria. The university's campus is uniquely located in Canaan Land, the home of the 50,000-seat capacity sanctuary, the Faith Tabernacle, which was listed in the 2008 edition of the Guinness Book of World Records as the largest Church auditorium in the world with overflow facilities for 250,000 worshippers. The University campus, known as Hebron-the birthplace of Kings and Queens, is an ultra-modern, serene and secured, with beautiful gardens and an array of iconic facilities for teaching, research, sports, and residential purposes.

Covenant University is driven by a compelling vision of raising a new generation of leaders in all fields of human endeavours. The university's departure philosophy and pillars are deeply rooted in Biblical principles and are directed towards effecting change in the recovery process of Nigeria's education sectors and the

restoration of the dignity of the Blackman. We are blessed with a transformational leader and Chancellor, Dr David O. Oyedepo.

Covenant equips students with practical and life-applicable skills via its custom-built programmes as well as internships and mentorship by experienced professors, scholars, and industry technocrats. Also, our robust campus and off-campus activities, groups, and chaplaincy distinctively bring out the gifting of students, turning them into rare gems. Consequently, Covenant students are uniquely packaged as change agents ready to impact the world and change the unpleasant narratives of Africa.

Covenant University is a multicultural community with more than 8000 undergraduate and postgraduate students representing over 13 nations. The university also has an alumni network of more than 20,000 members across over 50 countries. In Covenant, students pursue

34 programmes of study leading to bachelor, master, and Ph.D degrees in the university's four colleges, namely: the College of Engineering; the College of Management and Social Sciences; the College of Leadership and Development Studies; and the College of Science and Technology.

Our unparalleled quality assurance mechanism has earned the University accreditation status for all programmes with the National Universities Commission, the apex regulatory body for university education in Nigeria, and all relevant professional bodies in Nigeria. Also, one of the university programmes has an international accreditation status, and more are expected in the nearest future.

In just 22 years of its existence, Covenant has become a leading world-class university and one of the best higher education destination in

Africa. Also, within the Nigerian Higher educational system, Covenant is a reference point for its unique pedagogy, innovative curriculum, cutting-edge research engagements, community service emphasis, and administrative excellence. These institutional best practices have earned the University accolades and recognition from government and professional regulatory bodies, the industry, and rating agencies. For instance, the National Universities Commission has consistently named Covenant the best private university in Nigeria and the Number two ranked university overall. The Joint Admission and Matriculation Board also, in the 2022 policy meeting, named Covenant "The Most Compliant Institution in Keeping to the Guidelines in 2020 Admission."
